

Volunteering at Eco farms in Estonia

Promoting sustainable living!

KAASIKU ORGANIC FARM

Located at Soeküla, Tartumaa.

Crops grown at the farm : apples, strawberries and raspberries, also different salads and radish.

The main task for volunteers:

- * picking berries
- * harvesting vegetables and salads
- * cleaning the vegetables
- * weeding

| 05.07 - 12.07

The organic camps are proposed for volunteers who appreciate and share their values, want to learn more about the environment and to help hard working people.
