

Volunteering at Eco farms in Estonia

Promoting sustainable living!

LEPANIIDI FARM

Located at the picturesque island of Hiiumaa. Specialized in goat milk/cheese production and growing berries and vegetables.

The volunteers help with:

- * grazing, feeding, milking
- * processing the milk
- * picking berries and vegetables

06.07 - 26.07

27.07 - 23.08 | 24.08 - 21.09

The organic camps are proposed for volunteers who appreciate and share their values, want to learn more about the environment and to help hard working people.
